RESET Camp is open to 6th – 12th grade students and leaders/volunteers who serve in youth groups. At RESET, we push the boundaries of traditional discipleship methods to reach this generation that desperately needs the Gospel. Students and leaders connect with groups from around the country, and participate in high energy worship sessions, small groups, breakout sessions, recreation, village challenges, and special events that can only be found at RESET. Campers will leave with a life changing experience and practical tools to grow in their faith and reach their communities back home.

Students and leaders will have the opportunity to participate in the following recreation activities:

High Ropes - Wet Willie Water Slide - Pedal boats - Aqua Park - Paddle boards
Putt-Putt Golf - Bazooka Ball - Flag football - Volleyball - Staff vs. Camper Basketball Challenge
Four Square - Horseshoes - Gagaball

**Creative Groups are a chance for students to explore and cultivate their God-given gifts.
RESET offers four options for students to participate in:**

Music - Drama - Spoken Word - Dance

Invite your youth group, family members and friends to RESET Camp 2018!
